Used Molds For Sale

If you have been to my studio lately, you know that I am overflowing with not enough room to work. Even the remodeling I have done has not helped ease the situation much. So, unfortunately, I have no choice but to sell off some of molds. Many are rarely, if ever, poured. Some I have more than one of. If you are interested in purchasing some or all of these molds, contact me or visit my website. I have a list posted with the price information on the site or I can mail or fax you a copy.

Last, but certainly not least

I have truly enjoyed being in this business for the last 15 years. I want to thank each of you for allowing me to follow my dreams; to help you in your quest of creating the perfect doll, thru your hands or mine. For anyone who has ever created a doll, to create this little person, is a true gift of joy. Non doll makers or doll lovers probably don't understand, and I don't want to get too mushy, but this has to be one of the greatest gifts in the world - to be able to create a doll and/or love a doll, and see the magic this doll brings.

Thank you for the past 15 years. I am looking forward to many more and hope you do too!

Happy doll making,

Tracy

A Short Note and Update

New 132 page Catalogue!

It has been over a year in the making but the new catalogue is FINALLY completed! Enclosed is a complimentary CD of our catalogue in PDF format. You will need a PDF software program, such as the free Adobe Reader®, to open, read or print the catalogue. With the amount of pages, it was too costly to print and mail everyone a complete colored copy, but I wanted to make sure everyone received the latest information.

This new catalogue has all of the dolls, wigs, paints, patterns, bodies, assembly supplies, slip, firing supplies, tools and brushes. It is packed full of items for porcelain or reborn dolls. We even having **beating hearts** for your babies, cloth, porcelain or vinyl, the very **narrow cable ties** to tie off the limbs discreetly, and many new **mohair wigs** for Bleuette, Mini's, BJD's and Reborns.

On-line Shopping

Our website has been completely redone and a shopping cart installed. I am happy to say, most of our products are available on-line now. This has been very time consuming, but well worth the efforts. Now you can make your selections, including your wig colors, eye colors and slip colors with a click of your mouse. (continued on page 6)
